Sir/Madam,

The even semester examinations are scheduled to commence in the last week of April and are expected to continue for approximate one month. As usual, the University will require the services of experienced teaching staff members of your Deptt./College for their appointment as Centre Supdts. and Asstt. Supdts.

As per guidelines (approved by the Syndicate), the appointment of supervisory staff will be made as under:

- iv)** One Asstt. Supdt. for each examination centre to check outside interference and maintenance of discipline will also be appointed from the college, preferably a D.P.E.
- v)** If any teacher refuses the invigilation assignment, his/her name must be communicated to the Controller of Examinations, Panjab University, Chandigarh, the D.P.I. (Colleges) and the College Management.

In addition to the above guidelines, your kind attention is invited particularly to the Syndicate decision. These guidelines may kindly be strictly adhered to while making recommendations of the faculty for conducting the examination.

The following persons are not to be associated with examination duty:

The recommendation for the appointment of Centre Supdts. and Asstt. Supdts. will be made as under:-

- 2 Asstt. Supdt. (Equal to minimum 25% of the Supervisory Staff required at your college be recommended to be appointed at centre/s other than your college centre/s.

“For the assignment of Centre Supdts. duty, names of regular teachers be recommended who have already acted as Centre Supdt./Deputy Supdt/ Asst. Supdt. in the university examinations.

Further in order to overcome the shortage of Centre Supdts., the Vice Chancellor had approved the recommendation of the screening committee held on 11.11.2014 & 07.11.2023 vide which it was approved that the Principal can recommend more names of their teachers (working on Temporary/Adhoc Basis/ Guest faculty) who are having minimum service of 5 years of the same college.
